## LAKE LIFE AT KBY

Camp Kum-Ba-Ya is set in 45 wooded acres on beautiful Kentucky Lake in Marshall County, about 12 miles northeast of Benton. Our camp will accommodate up to 75 persons for lodging, dining, and gatherings.

### THE BILLY WILLIAMS LODGE

Our lodge offers a commercial kitchen, a large dining or meeting room to accommodate 75 persons and two break-out meeting rooms for events in any season. With two showers in each restroom, the breakout rooms can serve as dorm rooms for 12 overnight guests. Our WIFI, projector and television make this a nice space for training events, movie nights, or video conferencing.

### NEW CABINS

In 2023, Camp Kum-Ba-Ya is transitioning from ten rustic A-frame cabins to eight insulated all-season cabins with finished interiors. Two cabins will offer ensuite restrooms. The other six cabins will have access to the nearby bathhouses. Please contact us to inquire about our overnight accommodations available for your stay.

### TWO-PERSON CABINS

Our three rustic, two-person cabins near the lodge allow for a short walk to the heart of the campground. Window units keep these cabins cool during the hot months.

### THE PAVILION

The pavilion is large group gathering and outdoor picnic area with lighting, ceiling fans and a focal-point fireplace.

### THE DOCK

Our dock on Kentucky Lake provides a memorable place to see the sunset, catch fish, tie up your boat, or watch kayakers.

### NATURE TRAILS

Bring your walking shoes for a hike around our nature trails. You may see deer, eagles, and a variety of flora and fauna.

### LOTS OF SPACES FOR FUN

Our camp offers canoes, kayaks, lifejackets, volleyball, basketball, tether ball, four square, soccer, gaga ball, fishing poles (bring your own bait), picnic shelters, woodland worship areas, a lakeside fire circle, board games, a retreat library, and even a popcorn machine for movie nights in the lodge.
