About Camp Agape

Camp Agape combines Camp Kum-Ba-Ya's spiritual mission of sharing God's love, community, and belonging, with the emotional support, mentoring, and instruction in practical, everyday skills that youth in foster care will need in life. From the moment campers arrive, we aim for each one to feel the sense of belonging that comes from having a special place set aside just for them to sleep and be. When they leave at the end of the week, our aim is for each one to feel loved and valued as children of God, with skills to live and grow in relationships and in community.
